

# Gaza Ceasefire Fact Sheet

## Quick Facts:

- Ends 15 months of fighting between Israel and Hamas
- Went into effect on January 19
- Three phases

= 5 people

## Phase 1

Will Last 42 Days

### Israel

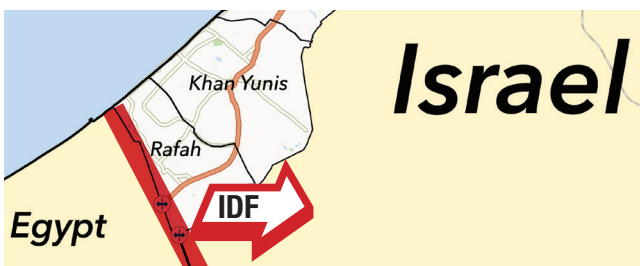

**33 hostages freed**

Order of release: women and children, female soldiers, men 50+, young men defined as "humanitarian cases". At least 34 of the remaining hostages believed to be dead.

IDF to withdraw from populated Gaza areas to a perimeter of 700 m. (766y.) or 400 m. (437y.) in some areas from the border.

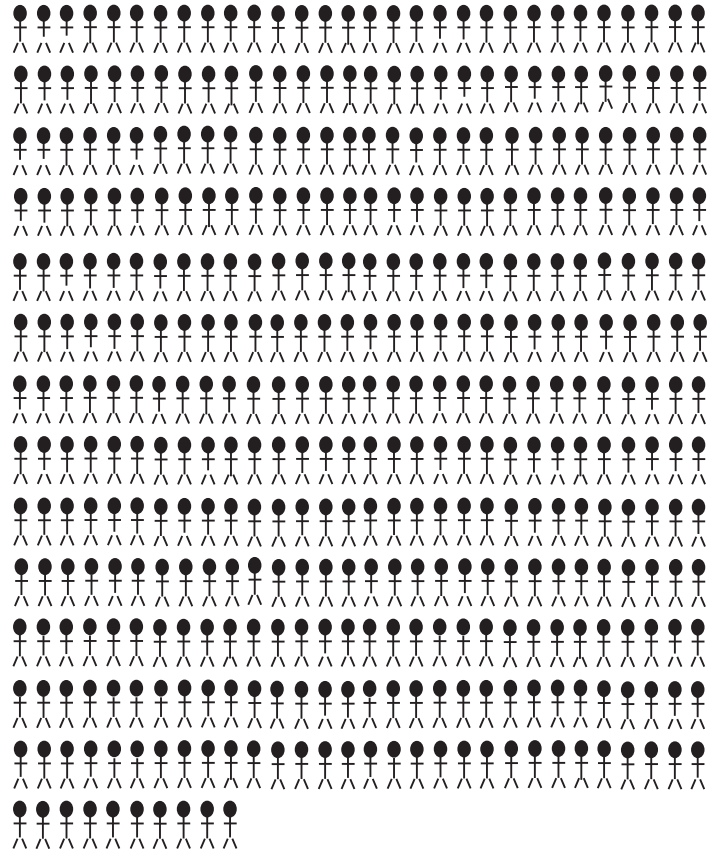

IDF to completely withdraw from the Philadelphi corridor within 50 days (strip of land in Gaza along the Egyptian border, which includes the Rafah crossing between Gaza and Egypt).

Israel to open Rafah crossing within first week

Crossing jointly operated by Israel and Egypt

### Hamas

**Up to 2,000 prisoners to be released**

Including 250 serving life sentences

Not including those who participated in October 7, 2023 massacre

Gaza civilians allowed to return to homes in northern Gaza

600 humanitarian aid trucks to enter Gaza daily, according to UN

There are already accusations of Hamas stealing aid and reselling at inflated prices.

## Phase 2 & 3

Remaining 65 hostages freed

Exact terms to be negotiated during Phase 1
